

## **RIPON CITY PLAN – APRIL 2018**

This month sees an important step now that we've submitted the Plan to Harrogate Borough Council. All those people and organisations who commented on the Draft Plan at the end of 2016 can now read how we've recorded what you wanted us to change, and how far we've been able to do so. Thanks for all your comments, especially to those that have helped us write a better Plan.
